

Sponsorship, exhibition and advertising opportunities

WorldDAB General Assembly 2019
5-6 November 2019, Brussels, Belgium

Where digital radio leaders meet

The WorldDAB General Assembly brings together over 200 digital radio experts from across the broadcasting, electronics and automotive industries. It offers unparalleled opportunities to present your products, solutions and services directly to the key decision makers in the industry.

“

Important meeting place for decision makers about the future of digital radio.

Micheal Gascoin, NRK

”

“

Great event, good networking opportunity and very comprehensive overview on WorldDAB activities as well as the radio industry's view

Martin Klein, NXP

”

Attendees include

- Commercial and public broadcasters
- Chip, receiver and equipment manufacturers
- Network operators
- Regulatory bodies
- National digital radio rollout bodies
- Automotive manufacturers (OEMs, Tier 1s, Tier 2s)

Three reasons to sponsor, exhibit or advertise at this event

- Sponsor and exhibitor logos reach an audience of 7,000+ industry contacts via our online, email and social promotions for this event
- Debut your latest products and services to 200 delegates from 20 countries by placing an advertisement in the programme brochure, also shared online
- Engage with potential customers in a face to face discussion while showing them your products on a table top display in the exhibition

We consider tailored sponsorship packages. Please book your place by latest 04 October.

“

Good to meet colleagues from around the world. I am inspired by successful cases and learnings shared. This is the key event to update your organisation about DAB+ and the future of radio broadcasting.

Daniele Alberto Rascio, Rai

”

“

The WorldDAB General Assembly provides a great overview on DAB+ as well as excellent networking opportunities and discussions.

Tamra Walsh, BBC World Service

”

About WorldDAB

WorldDAB is the global industry forum responsible for defining and promoting DAB+, the digital radio broadcasting standard of choice in Europe, Asia Pacific and beyond.

With unique cross-industry representation, our 100 members cover 30 countries and include regulators, broadcasters and network providers through to manufacturers of receivers, chips, professional equipment and automobiles. Together we define and promote DAB+ offering support on all aspects of the switch from analogue to digital radio. This includes regulation, licensing, technology trials, network build out, marketing and production of digital radio content.

We support and host industry events, briefings and tailored workshops providing insights, market intelligence and invaluable networking opportunities.
