

WorldDAB General Assembly 2016
9-10 November, 2016
Vienna, Austria

Sponsorship, exhibition and advertising opportunities

To AUDI, one of the leading promoters of Digital Radio, WorldDAB is fundamental for the long-term success of DAB. WorldDAB membership offers a forum for broadcasting experts to share their knowledge and experience, contributing to the continued success of DAB.

Klaus Bischof, AUDI AG, Germany

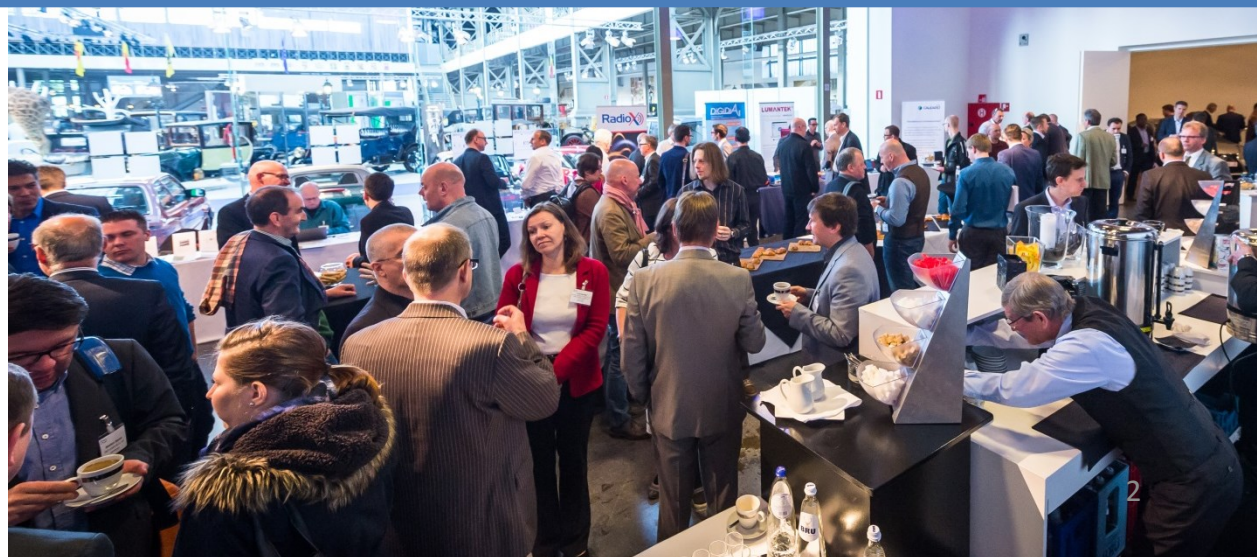

WorldDAB General Assembly 2016

Digital radio leaders meet here

The WorldDAB General Assembly is our annual flagship event and brings together over 200 attendees from the international digital radio, broadcasting, electronics and automotive industries. It offers unparalleled opportunities to discuss the current issues within the digital radio industry and to create a better understanding of the challenges affecting the market. The number of participants and exhibitors is up 6% and 5% year on year respectively.

Attendees include

- ▶ Commercial and public broadcasters
- ▶ Chip, receiver and equipment manufacturers
- ▶ Network operators
- ▶ Regulatory bodies
- ▶ Automotive manufacturers (OEMs, Tier 1s, Tier 2s)
- ▶ National digital radio rollout bodies

“

The WorldDAB General Assembly for us is the most important event in the year for promoting our products. The advertising possibilities and the small exhibition at the event give great visibility to all participating companies. At the same time this is the perfect opportunity to keep updated on DAB's development-technically and geographically.

Hermann Zensen, DIGIDIA, France

“

A 'must attend' conference for anyone involved in the sales of DAB solutions.

Alf M Engvik, AutoHiFi AS, Norway

ABOUT WORLDDAB

WorldDAB is the global industry forum responsible for defining and promoting DAB+, the digital radio broadcasting standard of choice in Europe, Asia Pacific and beyond.

With unique cross-industry representation, our members cover 27 countries and include regulators, broadcasters and network providers through to manufacturers of receivers, chips, professional equipment and automobiles. Together we define and promote DAB+ offering support on all aspects of the switch from analogue to digital radio. This includes regulation, licensing, technology trials, network build out, marketing and production of digital radio content.

We support and host industry events, briefings and tailored workshops providing insights, market intelligence and invaluable networking opportunities.
