French Association of International companies importing Electronic goods

Club
Electronique Embarquée
*Car Audio
Manufacturers*

End of June 2020

**All electronic equipment including radio tuner
sold on French market**

must have

(French law obligation)

In **1** year from now,
DAB+ product line up for car audio in retail
has to move
from less than **5** % to **100** %

In **1** year from now,
car manufacturers have to move DAB+
from optional to standard equipment

In **1** year from now,
we have to educate consumers...

May 28th, 2019

CSA (French authority for Audio visual) launched working group on communication

Thank you

Olivier HUMBAIRE
