WorldDAB Spectrum and Network Implementation Committee seminar -

Best practice for implementation of SFN networks

22 May 2019 14:00 – 16:00, Budapest, Hungary

In response to the accelerated rollout of DAB+ across Europe and beyond, the WorldDAB Spectrum and Network Implementation Committee (SNIC) has been launched to support the implementation of DAB networks.

The topic of this first seminar is 'Best practice for implementation of SFN networks', with case studies of DAB+ network deployments from across Europe. This seminar takes place in parallel with the [MBT Conference](#), and in partnership with [Broadcast Networks Europe](#).

Opening welcome
