

Sponsorship, exhibition and advertising opportunities

WorldDAB Automotive 2019
20 June 2019, Turin, Italy

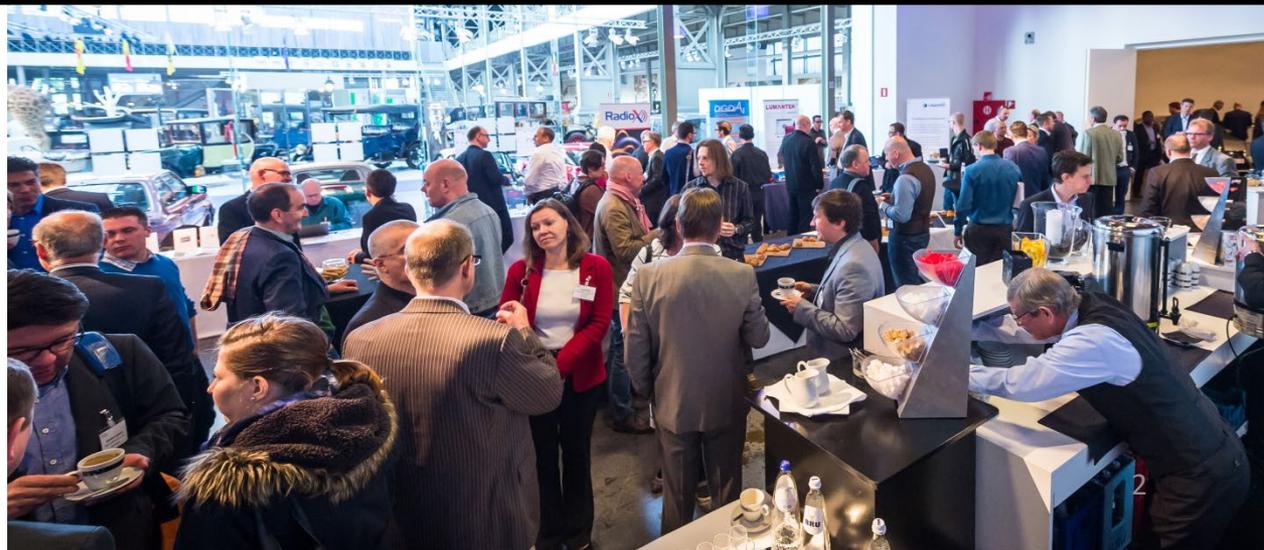

Where broadcasters and automotive manufacturers meet

WorldDAB Automotive is our annual flagship automotive event and brings together over 200 attendees from the international digital radio and the automotive industries. It offers unparalleled opportunities to discuss the current issues within the digital radio industry and to create a better understanding of the challenges affecting the market.

Attendees include

- Automotive manufacturers (OEMs, Tier 1s, Tier 2s)
- Chip, receiver and equipment manufacturers
- Network operators
- Regulatory bodies
- National digital radio rollout bodies
- Commercial and public broadcasters

“

Important meeting place for decision makers about the future of digital radio.

Micheal Gascoin, NRK

”

“

Great event, good networking opportunity and very comprehensive overview on WorldDAB activities as well as the radio industry's view

Martin Klein, NXP

”

Why sponsor?

- DAB+ is growing across Europe and beyond
- New EU rules require all new car radios to be capable of receiving digital terrestrial radio within two years
- The WorldDAB Automotive Working Group continues to work with OEMs on UX and performance

By sponsoring you'll be able to –

- Debut your latest products and services to targeted industry decision makers
- Reach an audience of 6,000+ industry contacts via our online communications
- Engage with potential customers

About WorldDAB

WorldDAB is the global industry forum responsible for defining and promoting DAB+, the digital radio broadcasting standard of choice in Europe, Asia Pacific and beyond.

With unique cross-industry representation, our 100 members cover 30 countries and include regulators, broadcasters and network providers through to manufacturers of receivers, chips, professional equipment and automobiles. Together we define and promote DAB+ offering support on all aspects of the switch from analogue to digital radio. This includes regulation, licensing, technology trials, network build out, marketing and production of digital radio content.

We support and host industry events, briefings and tailored workshops providing insights, market intelligence and invaluable networking opportunities.
