30 Population coverage of 17 Regular regional DAB+ multiplexes, 82% popn coverage by Oct 2022. 6 Trial local DAB+ multiplexes are also on air and provide additional coverage.

32 SA Government has published its policy direction on the introduction of Digital Sound Broadcasting in South Africa on 10 July 2020. DAB+ is one of the standards officially adopted.

31 New multiplexes anticipated 2020

33 Population coverage of the regular national DAB+ multiplex for NENT (commercial radio). A second regular commercial national DAB+ multiplex (Bauer Media) is reaching 40% of the population. A national DAB+ multiplex for public service (Swedish Radio) is reaching 41.8% of the population

ABOUT THIS INFOGRAPHIC

The data included in this infographic has been provided by WorldDAB members and partners including market research agencies, broadcasters, national digital radio bodies, national ministries and governmental bodies.

WorldDAB gathers the latest available data on DAB+ regarding receiver sales; new car sales; population coverage; household penetration; road coverage; national DAB+ stations; digital radio reach; listening numbers; emerging markets.

Updated and published twice a year, the WorldDAB infographic includes important data and figures on DAB+ for broadcasters, receiver and automotive manufacturers, as well as listeners.

For more information on the infographic, please visit the [WorldDAB website](https://www.worlddab.org).
