

## WorldDMB ETI Library – DAB/DAB+ files for In-house Testing & Trials

The WorldDMB ETI Library is a user friendly online database of ETI Files. It contains country snapshots of DAB, DAB+ and DMB (ETI files from different markets), ETI files configured with multiplexing equipment from specific manufacturers as well as files which can be used for demonstration and testing purposes.

If you require any further information on the WorldDMB ETI Library please contact Rebecca Keene at the WorldDMB Project Office [rebecca.keene@worldddb.org](mailto:rebecca.keene@worldddb.org).

Below is a table showing the files currently held in the WorldDMB ETI Library giving the Filename, Type of file and Services. **The WorldDMB ETI Library is available to WorldDMB members only.**

| Filename / Type of file / Services / Date of Creation                                                        | Size       |
