Sponsorship, exhibition and advertising opportunities

“

To AUDI, one of the leading promoters of Digital Radio, WorldDAB is fundamental for the long-term success of DAB. WorldDAB membership offers a forum for broadcasting experts to share their knowledge and experience, contributing to the continued success of DAB.

Klaus Bischof, AUDI AG, Germany.

WorldDAB Automotive 2017

Digital Radio Leaders Meet Here

WorldDAB Automotive is our annual flagship automotive event and brings together over 150 attendees from the international digital radio and the automotive industries. It offers unparalleled opportunities to discuss the current issues within the digital radio industry and to create a better understanding of the challenges affecting the market.

Attendees include

- Automotive manufacturers (OEMs, Tier 1s, Tier 2s)
- Chip, receiver and equipment manufacturers
- Network operators
- Regulatory bodies
- National digital radio rollout bodies
- Commercial and public broadcasters

ABOUT WORLDDAB

WorldDAB is the global industry forum responsible for defining and promoting DAB+, the digital radio broadcasting standard of choice in Europe, Asia Pacific and beyond.

With unique cross-industry representation, our members cover 27 countries and include regulators, broadcasters and network providers through to manufacturers of receivers, chips, professional equipment and automobiles. Together we define and promote DAB+ offering support on all aspects of the switch from analogue to digital radio. This includes regulation, licensing, technology trials, network build out, marketing and production of digital radio content.

We support and host industry events, briefings and tailored workshops providing insights, market intelligence and invaluable networking opportunities.
