WorldDAB Equality and Diversity Statement

WorldDAB is committed to developing, maintaining and supporting a culture of equality and diversity in employment of staff and in the invitation of speakers, presenters and moderators.

WorldDAB's policy is to ensure all are treated equitably, and where they can, realise their potential whatever their age, race, colour, nationality, ethnic origin, creed, disability, sexual orientation, sex, gender identity, marital or civil partnership status, parental status, religion, belief or non-belief, social or economic class, employment status, or any other criteria that cannot be shown to be properly justifiable. The overall aim of this commitment is to ensure that throughout WorldDAB's activities all of those involved are treated fairly and with dignity and respect.
