RTI cz s.r.o. This year, too, it continues to promote DAB + digital radio with DAY WITH THE DIGITAL RADIO. In cooperation with the Czech Radio Karlovy Vary and the Regional Library, this event will welcome people interested in digital radio from the Karlovy Vary Region for the first time. Visitors can expect the largest exhibition of DAB + receivers in the Czech republic, newly released gadgets from 2019-2020, car radios, mobile phones with DAB +, radio for the blind, behind the scenes of digital radio broadcasting and now also car adapters for digital radio in cars. One of the interesting things among others will be DAB + radio integrated in the rear view mirror. In addition to new products from TECHNISAT or PURE, new products such as HAMA, KENWOOD, POP and SILVERCREST will be presented. All visitors can try out radio receivers, learn about new features and compare the sound of digital and analogue radio. Around 50 DAB + receivers from 15 manufacturers will be on display. Selected DAB + receivers can be purchased directly at the event. Lectures and complete information on digital radio broadcasting in the Czech Republic will be available. The complete program can be found at [www.densdigitalnimradiem.cz](http://www.densdigitalnimradiem.cz) (only Czech)
