

PRESS RELEASE

1. March 2021

RADIO ZAPAD IN MULTIPLEX RTI CZ DAB

The company RTI cz s.r.o. from March 1, 2021 it includes regional Radio ZAPAD in its multiplex RTI cz DAB. Radio is focused mainly on regional information from Western Bohemia and by joining digital radio broadcasting it will significantly expand coverage and contribute to the promotion of this platform, for example in the form of spots or interviews about the benefits of DAB + digital broadcasting. The start of the radio is planned from 10 am and the broadcasting will start on all transmitters of the RTI cz DAB multiplex. It will be possible to tune in the radio in DAB + almost all over Western Bohemia, in Prague, on the D5 motorway and in the České Budějovice region. The broadcast will also include multimedia data, such as textual and pictorial informations from the region, which will gradually be expanded to include song titles, informations from the region, weather, traffic or webcams of the Czech Hydrometeorological Institute. Radio ZAPAD is another radio station that wants to actively support the development of digital radio broadcasting in the Czech Republic.
